

Here to Help

RT London is proud to partner with a broad range of Human Services providers to offer durable, comfortable furniture solutions to organizations dedicated to serving the greater good.

Engineered to stand up to substantial use, our products are designed to meet the complex challenges of supportive housing, shelters, behavioral health treatment centers, and other Human Services facilities.

Supportive Housing | Family Shelters | Emergency Shelters
Group Homes | Behavioral Health Facilities | Residential
Treatment Centers | SRO Units | Employee Housing

All-around comfort, stylish design, and easy to clean, our lounge solutions create spaces where people want to gather.

Durable

RT London furniture is built in the USA and built to last, with most products backed by a 25-year warranty.

Comfortable

A relaxing, home-like environment for every resident. RT London furniture is attractive and functional, providing a sense of warmth and security for your community.

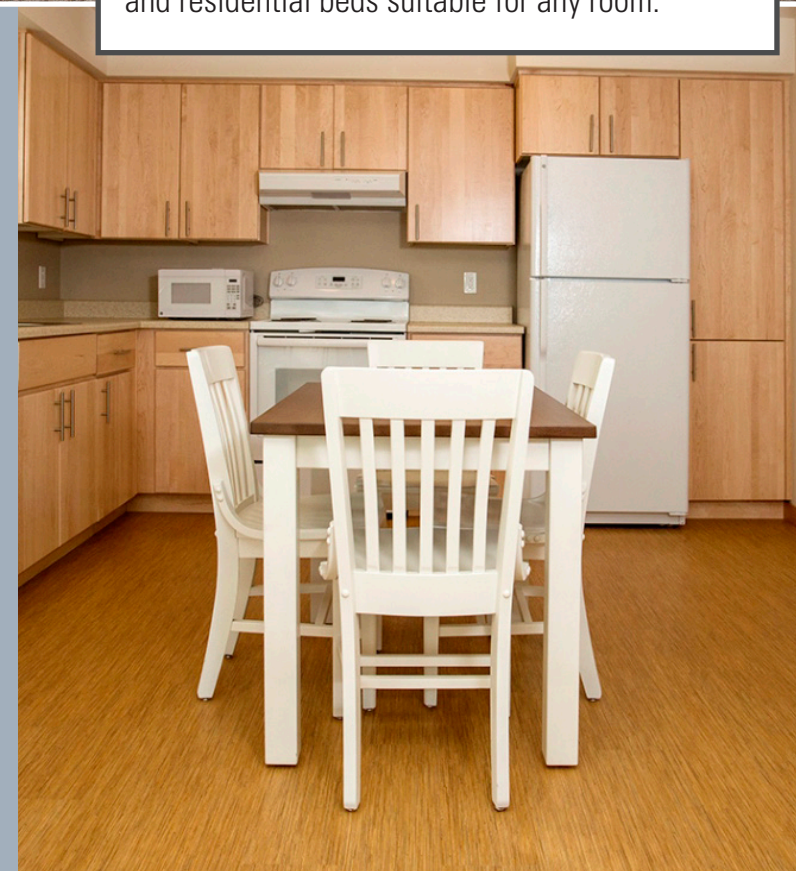

The Scout bunk bed is CPSC (Consumer Product Safety Commission) certified and designed to safely accommodate children ages 6 to 12.

RT London offers a full range of height adjustable and residential beds suitable for any room.

Cost-Effective

We recognize the significant investment made in your facilities. RT London has options for every budget, as you choose furniture that will be with you for years to come.

Trusted Partner

Exceptional customer service is only the beginning. Custom capabilities let us work together to define and create exactly what you want, whether it's modifying an existing product or tailoring a solution specifically for you.

Our design services team is here to make your project a success - from space planning to fabric and finish selections to installation guidance.
